

## Building Community Among Idaho's Hikers and Backpackers.

Idaho Trails Association is THE statewide organization for hikers and backpackers in Idaho. ITA links citizens of all ages with trails across the state and works to ensure the continued enjoyment of our hiking trails.

To accomplish our mission, Idaho Trails Association works closely with the USFS and BLM to organize and field volunteer trail stewardship projects that keep trails safe, accessible and sustainable. ITA promotes quality hiking experiences throughout Idaho by educating and training volunteers and advocating for trail funding and other resources.

## STEWARDSHIP

Idaho Trails Association organizes volunteer trail stewardship projects to help keep Idaho's hiking trails safe, sustainable and enjoyable.

## COMMUNITY

Idaho Trails Association organizes hikes, outings, events, and skills courses that enable Idahoans to safely enjoy sustainable hiking in Idaho's backcountry.

## VOICE

Idaho Trails Association was established in 2010 to be the voice for Idaho's hikers and backpackers.
